OPERATION DEPARTMENT

- How We Work

We create the Gantt chart by considering the product details and our past experience.

This helps us estimate the time required for each step and develop a well-structured work plan. By following this timeline, we can ensure a smooth workflow and complete the project efficiently.

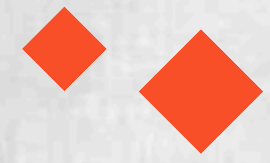

Client TESTIMONIALS

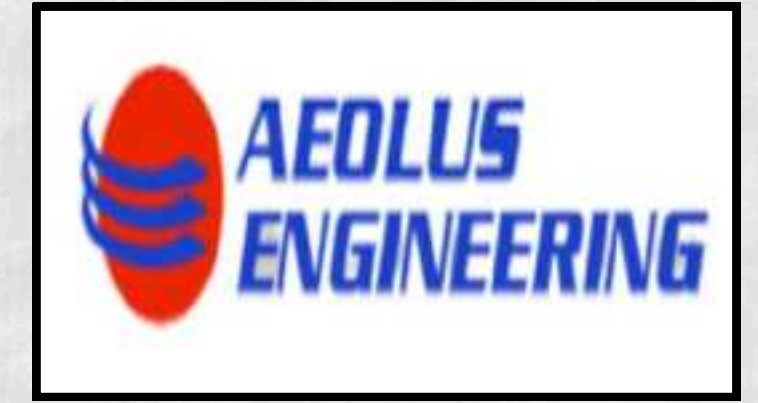

What Our Clients Say

“ I worked with Standphill India for our BIS registration, and they made the whole process so easy. Their team was very knowledgeable and helped us every step of the way. I’m happy with their service and would recommend them to anyone looking for BIS certification support. ” - Birla Textile Mills

“ As a foreign manufacturer, we were unsure about the BIS (ISI Mark) certification process, but Standphill India made it easy for us. Their team guided us step-by-step, handling all the necessary documentation and ensuring that our products met the required Indian standards. Thanks to their expert support, we got the ISI Mark without any delays. We highly recommend their services to any international company looking to get BIS certified ” - Soccer International
